## Synopsis of the report

The annual report covers the FY2021 performance and key events of Open Joint-Stock Company "Interregional Distribution Grid Company of Urals" (Rosseti Ural brand). Post-reporting events are disclosed up to and including Mar. 30, 2022.

The annual report focuses on raising awareness of stakeholders on the Company's strategy, mission, social and sustainable development policies, key events and performance, impact on economics, society, environment and stakeholder liaisons.

## Scope of the report

The annual report uses such notions IDGC of Urals, Rosseti Ural and Company to mean OAO IDGC of Urals.

The annual report discloses information, available to OAO IDGC of Urals as of the reporting date, and presents its performance for the period starting 01 January 2021 and ending 31 December 2021. Information, presented in the report (incl. RAS-based financial and economic performance data), covers IDGC of Urals' performance.

The following information was used to prepare this annual report:

- FY2021 accounting (financial) statements prepared under Russian Accounting Standards (RAS);
- consolidated financial statements of OAO IDGC of Urals for the year ended 31 December 2021;
- public sources.

The report is compliant with the reporting standards and laws of the Russian Federation. The report is addressed to the multi-stakeholder communities.
